## WYLAM BREWERY TASTING NOTES

We use only the finest malted barley, hops, water, and yeast in our beer production. No additives, sugars, extracts etc. Our water is treated to give it the mineral characteristics of Burton on Trent water which produces the highest quality ales.

**Wylam Bitter** ABV 3.8%  
 Made with Pale, Amber and Crystal malts, this is a full bodied amber coloured beer. Good bittering and malt with a classic Fuggles finish of hay/grass notes.

**Hedonist** ABV 3.8%  
 This is a very interesting ale made with a proportion of crystal rye malt to give a dry overtone to the blend of 3 hops used in the recipe. Golden and deceptively rich and full bodied for its ABV% of 3.8 and with a slightly floral/citrus hop finish.

**GOLD Tankard** ABV 4.0%  
**Champion Beer of the CAMRA Tyneside, and Darwen Lancashire Festivals**  
 Made with all gold ingredients - Pale Malt, Golden naked oats, First Gold Hops, with a Willamette hop finish. Fresh clean flavour with a hint of grapefruit citrus from the Willamette late hops.

**Turbinia** ABV 4.2%  
 Made with Pale and Amber malt and flaked barley, this is a full bodied golden beer: A crisp, clean bitter with a fine hop finish.

**Wylam (Summer) Magic** ABV 4.2%  
**Champion Beer of the CAMRA Cotswold Festival 2003. Runner up 2004**  
 A light, crisp, refreshing Ale made with Amarillo hops and pale malt. Pale gold with a hint of elderflower in the nose. Citrus and spice on the palate with a good bitter finish.

**Angel** ABV 4.3%  
 Commissioned by Gateshead Council to celebrate the 10th anniversary of The iconic Angel of the North sculpture, this pale copper ale is a well balanced bitter with a citrus character in the aroma and finish given by the Cascade hop.

**Northern Kite** ABV 4.5%  
 A ruby ale in the style of a traditional 'scotch' where the hops are balanced by residual maltiness to give subtle hop character and a rich palate. Brewed to celebrate the re-introduction of the Red Kite to the North East after an absence of 170 years.

**Wylam Haugh** ABV 4.6%  
 A dark satisfying porter, smooth, full of character and complex flavours - hints of chocolate, liquorice and malt. Made with roast, crystal and pale malts and Wye Target and Goldings hops.

**Bohemia** ABV 4.6%  
**TWICE FINALIST GREAT BRITISH BEER FESTIVAL**  
 The Bohemia is a Czech style beer made to a typical Czech recipe - Pale and Carapils malts, Tettnanger Saz and Hallertau Hersbrucker hops, and using a Czech strain of Pilsener yeast. Deep gold with a rich hop character.

 A single malt ale, pale gold. Made with traditional British hops - Goldings and Fuggles to give a classic crisp bitter.

**Locomotion No1** ABV 5.0%

**Rocket** ABV 5.0%  
**Multi Award Winner!**  
 A pale copper traditional best bitter. Deceptively easy drinking with a fresh citrus and aromatic character from the Centennial hops. Good bitter finish.

**Dognobbler** Named after a famed fishing fly used on the Tyne. With the emphasis on bittering and aroma hops, this 3 hop beer is refreshing, golden, crisp, bitter and hoppy, with a bit of attitude.

**Perry's Farmhouse Cider** ABV 6%  
 This traditional still cider is made entirely from Somerset apples from their own orchards, fermented and matured in oak casks at Perry Bros. Cider Mills, Dowlish Wake, Somerset

**NEW ALE**
